HARFORD COUNTY EXECUTIVE

KATHY L. BURLEY
DIRECTOR OF PARKS & RECREATION

Protocol To Follow When Using
Indoor Space At Board Of Education Facilities

Harford County Parks and Recreation and its partnering Recreation Councils will follow the below protocol when using indoor space at Board of Education facilities, effective immediately until such time when COVID mitigation is no longer required or mandates/requirements change.

1. Masks shall be worn indoors by everyone except those that are actively participating in an athletic/aerobic activity. Coaches, spectators, and participants waiting to play are not considered to be actively participating and shall wear masks.

2. Individuals that are sick should stay at home.

3. Programs will socially distance where possible.

4. Notification will be provided to the Board of Education regarding COVID-19 exposure(s). Program chairperson will notify the Recreation Specialist as soon as they are made aware of any participant, coach or spectator with a positive COVID test if they were on HCPS property at least 48 hours before starting COVID-19 symptoms, during COVID-19 symptoms or diagnosis, or in cases of asymptomatic positive COVID tests, within 48 hours of taking the test. The Recreation Specialist will provide the information to Maggie Cohen at Maggie.Cohen@hcps.org.

5. If Recreation Council programs want additional cleaning, outside of what has been provided pre-COVID-19, this shall be provided by the Recreation Council at their expense.

6. Concessions is not permitted inside of the Board of Education buildings while COVID-19 guidelines are required to be followed.
