

An aerial photograph showing a large green field on the left, which is a park. The field contains two baseball diamonds and a larger open area. To the right of the field is a wooded area with bare trees. Further right is a cluster of several large, white, rectangular buildings, likely a school or administrative center. There are several parking lots with cars scattered throughout the scene. A road runs along the top edge of the image. The text "TOLLGATE PARK" is overlaid in the center-left area of the image.
